

***“How can you
extend your
evidence?”***

(Anderson)

***“What's worth
talking about in
what you read (last
night)?”*** (Kittle)

***What makes
you say that?***

***How did you get
that?***

***Tell me how
this concept
develops?***

(Chesser)

***What stands
out to you?***

***What is the first thing
that jumps out at you
in this novel/event/
experiment?***

*Why do you
think _____ is
important?*

***What seems really
important to you
in this
section/data/___?***

***What are you
struggling with in
your reading/writing/
calculations?***

***What have you
done to get your
ideas to come
across clearly?***
